Dear Paul:

I am writing to express my profound gratitude for the excellent home inspection you performed for us. Watching you, I felt my comfort level soar, as you meticulously explored our house-to-be. I chose you because everyone said you were the best, and they were so right. I cannot imagine you could have been any more thorough if you were buying the home for yourself. Your eyes saw everything, you patiently explained your observations and then, most important to nervous home buyers, you put them all in their proper perspective. Your detailed report also documents advice that I am sure we will rely on heavily in the coming years. We thank you, Sandy and Rebecca so very much.

Very truly yours,
